hello!

The Legalink Academy was founded by Georg van Daal (Ekelmans & Meijer, Netherlands) in 2017.

It consists of a multicultural gathering both professionally and culturally enriching for the young lawyers who are introduced to the network. The programme of the Academy meeting is an inspiring mix of knowledge transfer and soft skills training.

The Cyprus Legalink Academy is organised by Ioannides Demetriou LLC in conjunction with Legalink's committee.

We hope you will enjoy the meeting.
