## Welcome to Legalink Academy

The Legalink Academy was founded by Georg van Daal (Ekelmans & Meijer, Netherlands) in 2017.

It consists of a multicultural gathering that is both professionally and culturally enriching for the young lawyers who are introduced to the network.

The programme of the Academy meeting is an inspiring mix of knowledge transfer and soft skills training.

The Vienna Legalink Academy is organised by **Polak & Partner Rechtsanwälte** ([www.fplp.at](http://www.fplp.at)) in conjunction with **Legalink's committee**.

**We hope you will enjoy the meeting!**

**Peter Polak**, Partner, Polak & Partner Rechtsanwälte

# Sunday

25 June  
2023

## 9:30 – 15:00

For those of you departing late on Sunday and who'd like to exercise a bit, if of interest (and weather permitting), we'd organize a bicycle tour through the Lobau, the inundation backlands next to the Danube river where in the 19th century amidst the ever growing industrialization of the city, socialists and nudists met to enjoy life, the sun and nature...

Nowadays, it is pretty a-political and nothing but fascinating nature, perfect for a bike ride, and it gives you a feel for the Danube (on the borders of which the city was originally built by the Romans) and for how the city has grown over time....
